"The small team of founders in the U.S. used their own industry to help create the brand. Our commitment to the program is a reflection of our mission to help entrepreneurs succeed in their businesses. We are currently looking for U.S. founders who are passionate and a vision. Our team includes founder Crystal Chavez, founder of Daylight Engineering, which uses sensors and AI to help construction companies. We are currently looking for U.S. founders who are passionate and a vision.
